

Barnetson Court Care Home Selects Girbau Laundry

01 June 2010: Staff at the Great Dunmow, Essex-based care home Barnetson Court are delighted with the quality, reliability, versatility and outstanding cleaning performance of Girbau's new high-speed HS-6008 washer and an accompanying Girbau tumble dryer. Girbau UK recently supplied the new laundry equipment to replace the home's ageing machines.

A popular and successful care home which caters for up to sixteen residents, Barnetson Court is owned by the news trade charity NewstrAid Benevolent Fund. The home has an enviable reputation as one of the preferred choices for elderly people in the region. Effective, energy efficient and reliable laundry equipment plays an essential part in helping it to maintain the highest standards of overall care while tackling a daily flow of soiled sheets, towels and residents' clothing.

"We are delighted with the Girbau machines," commented Lynn Ward, care home manager at Barnetson Court. "They were reasonably priced and the washer in particular provides consistent, high quality results thanks to a wide range of wash cycles that easily remove the toughest dirt and grime, even on sensitive fabrics."

The Girbau sales team offered an honest, plain speaking approach and took the time to understand the home's needs before recommending the best machines.

"Girbau UK's customer service was exceptional and extremely responsive," Lynn Ward added. "I would recommend them to anyone."

Strong and durable, Girbau's 6 Series washer range offer spin speeds of up to 1,000rpm and is designed to provide excellent washing performance with reduced cycle times. The HS-6008

model chosen by Barnetson Court has been named the most energy-efficient in its class by US body Energy Star.
